Where do our accounts originate?

We buy them for ourselves. There are some cases when they are brought to us in such an amount we are not able to cope with them. That's why we can sell them to you.

What is the difference between our accounts and other sellers?

Our accounts are fully prepared for launching.

Old campaigns of white advertisers are approved and have fresh clicks.

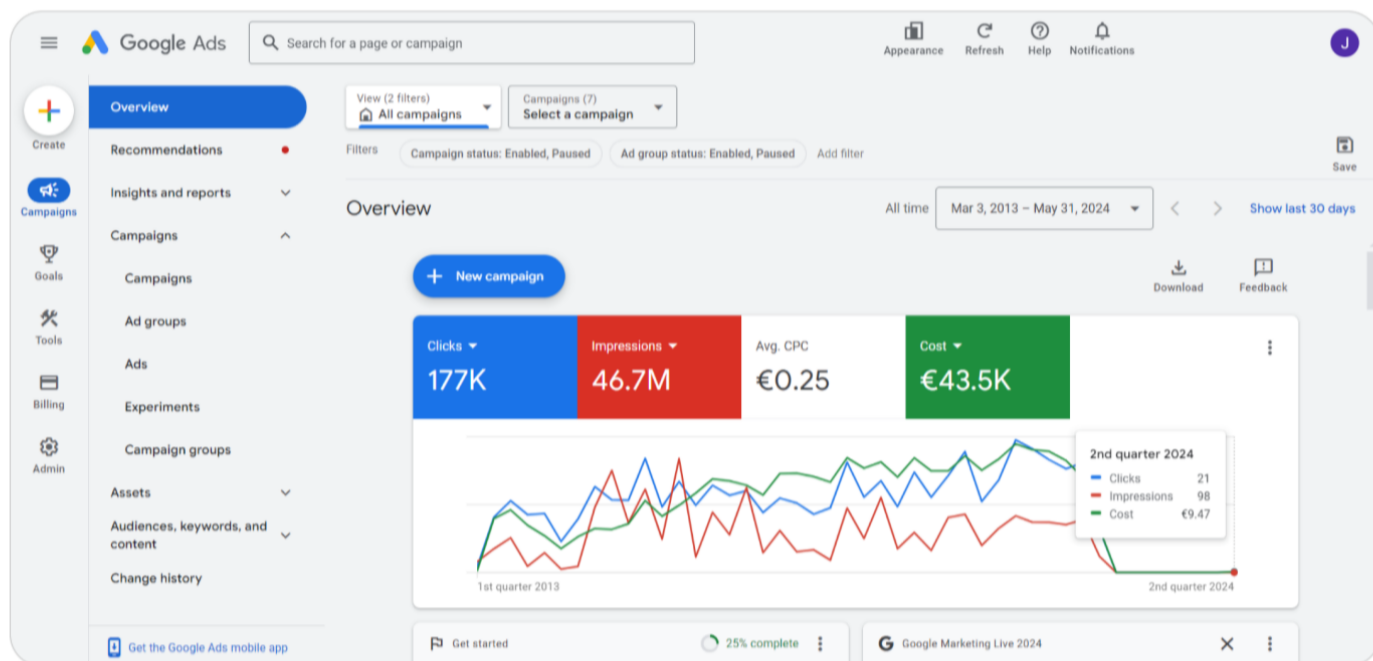

Payment data is active and has the payment history.

It is possible to increase the daily budget to the required amount in advance for +10% of the account price.
